

# La State + Regional Chili Cook-off

March 18 & 19, 2017

Front of LSU Parker Coliseum

## DIRECTIONS

**We are located in front of the LSU Parker Coliseum on the LSU campus. You may get there down Acadian Thruway- becomes Stanford and right after you pass the lakes turn right at the light onto S. Stadium.**

**There are 3 streets that make a triangle where both the Coliseum and all the parking in the area are located.**

- **They are Highland Rd. W. Lakeshore Dr. which becomes S. Stadium Dr., and S. Parker Blvd. You may park in front of the Parker Coliseum, which is on the corner of Highland and S. Stadium Dr. The Cook-off and check-in are in front of the Parker Coliseum.**
- **Or you may go down S. Parker Blvd. (first intersection- left before the Coliseum) off of S Stadium Dr. and there is 1 entrance right before the Highland Rd light into parking areas that put you directly behind our buildings.**
- **S. Parker Blvd ends at the south gates of LSU and Highland. All these streets will be marked with Chili Cook-off signs.**
- **If you are approaching the South gates of LSU on Highland Rd. take a left right before the red light at Parker Blvd that will lead you to the largest parking lot directly behind the 4H Mini Barn- where the Cooks Reception is on Friday evening, the kitchen for preparing all the event food, the judging of the competitions, and where the Winner's Circle presentation will be held.**
- **For drop off only- there is also a street that goes behind the Coliseum to the right of the Parker Coliseum from Highland Rd. that takes you to the front entrance to the 4H Mini Barn and rear entrance to the Coliseum. This street goes thru the parking lot to S. Parker Blvd.**
